Madhava Rao, Esq., B. A., B.L.
Chief Secretary to the Government of Mysore,
Bangalore.

SIR,

I have the honour to state that the Census Commissioner for India recommended several books for study in connection with the preparation of the Report. Some of these books I was able to obtain from the University Library, Mysore, the Public Library, Bangalore and the General and Revenue Secretariat Library. The first two books noted in the margin could not be got in this way and I therefore placed orders for them and obtained them. The third and fourth book also were required for reference and have since been obtained. The prices of the books are noted in the margin. Payment has been made for the first two books and remains to be made for the other two. On the payment made for the first two books the Comptroller has desired that sanction of Government should be obtained to the purchase. I therefore request that sanction may kindly be obtained for the purchase of all these books. The expenditure Rs 44-4-0 will be met from the provision for "Contingencies" in the budget of the Department for the current year. The books will be made over to the General and Revenue Secretariat Library when this office is wound up.
